

JACE Learning Platform (JLP)

WELCOME TO THE JACE LEARNING PLATFORM (JLP)

Teaching support available whenever you need it !

E-Learning is designed to support teaching and learning in an educational setting. Our brand new JLP is available to our students to access over the Internet. It offers you the opportunity to learn and submit work online and to support and develop the training you receive during workshops or in your own workplace.

Features of our JLP and how it can enhance the learning experience for our students

- ◆ JLP is accessible anytime and anywhere, 24/7
- ◆ Secure login and student password allocated
- ◆ Uploading students work is simple, fast and secure
- ◆ Group and peer discussion and forum
- ◆ 'One on One' tutor time / live chat
- ◆ Helpful resources, links and sign posting
- ◆ Training notes and standards available online
- ◆ Workshop knowledge presentations
- ◆ Links to research and videos to watch
- ◆ Fun learning activities to complete
- ◆ Records and tracks student progress

“Our JLP courses give you exactly what you need to know in a clear format so you get the best out of your learning”

The benefits of the JLP to students and employers :

The JLP offers support to students or employers who require additional learning support, for instance if you are unable to attend specific workshops or would like to revisit training notes or resources from workshops you have attended.

It is suitable for students aged 16 years or above.

The JLP will provide online learning and teaching support for all our courses.
